

321.453 Exceptions.

The provisions of [this chapter](#) governing size, weight, and load and the permit requirements of [chapter 321E](#) do not apply to fire apparatus; road maintenance equipment owned by, under lease to, or used in the performance of a contract with any state or local authority; implements of husbandry when moved or moving upon a highway that is not a portion of the interstate; or equipment used primarily for construction of permanent conservation practices on agricultural land when moved or moving upon a highway that is not a portion of the interstate, so long as the equipment is without payload and the movement does not violate posted weight limitations on bridges, except as provided in [sections 321.463, 321.471, and 321.474](#). A vehicle that is carrying an implement of husbandry or equipment used primarily for construction of permanent conservation practices and is exempted from the permit requirements under [this section](#) shall be equipped with an amber flashing light visible from the rear. If the amber flashing light is obstructed by the loaded implement or equipment, the loaded implement or equipment shall also be equipped with and display an amber flashing light. The vehicle shall also be equipped with warning flags on that portion of the vehicle which protrudes into oncoming traffic, and shall only operate from thirty minutes prior to sunrise to thirty minutes following sunset.
